

„DANZA Y MOVIMIENTO“

Accommodations in Havanna and Santiago de Cuba

Visual impressions and information

The following examples of casa particulares (cuban B&B) are giving an impression of the standard our accommodations have.

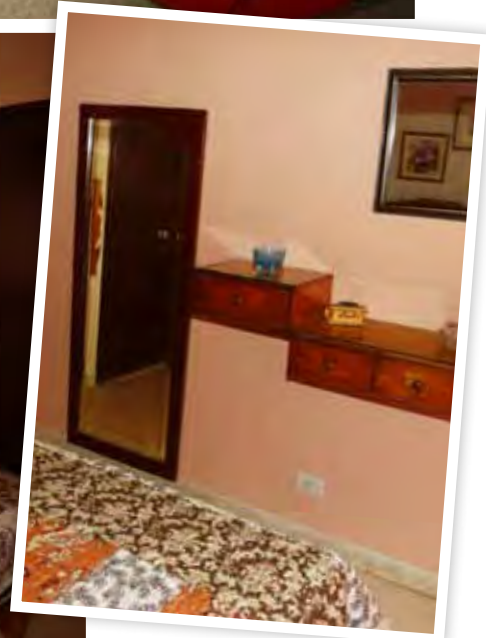

If you look for something special in terms of location, layout and facilities we offer to help you find accommodations with those features.

We will charge these services only if you are not taking the offer we create for you.

Example 6 for a casa particular centrally located near capitolio

Havanna

Example for an apartment with shared pool in the area Playa

Small fully furnished apartment for 1-2 people with bath, kitchen and large terrace on the 3rd floor. Quiet location with views, proximity to the sea about 300m. Use of the pool and parking space in an underground garage. The perfect alternative to hotel or casa particular. This apartment offers special comfort and can also be rented for longer stays. Lease and prices on request.

Santiago

Example for a centrally located casa particular
