

## **Form for the information of the traveler with a package tour in accordance with § 651a BGB**

This document has been translated with [www.DeepL.com/Translator](http://www.DeepL.com/Translator). It is not a legally binding translation. The legally binding original document is in German and can be viewed here: <https://www.dym-travel.com/images/FormblattEU.pdf>

The combination of travel services offered to you is a package within the meaning of Directive (EU) 2015/2302, so you can benefit from all the EU rights that apply to package travel. Danza y Movimiento Reisen, owner: Viamas GmbH, Kleine Rainstr. 3, 22765 Hamburg ("DYMR"), is fully responsible for the proper execution of the entire package tour. In addition, DYMR has the legally prescribed security for the repayment of your payments and, if the transport is included in the package, for securing your return transport in the event of the insolvency of DYMR.

### Principal rights under Directive (EU) 2015/2302

- Travellers shall receive all relevant information on the package before the conclusion of the package travel contract.
- At least one company is always liable for the proper provision of all travel services included in the contract.
- Travellers are given an emergency telephone number or contact details to contact the tour operator or travel agency.
- Travellers may transfer the package to another person within a reasonable time and possibly at additional cost.
- The price of the package may only be increased if certain costs (e.g. fuel prices) increase and if this is expressly provided for in the contract, and in any event no later than 20 days before the departure of the tour. If the price increase exceeds 8% of the package tour contract, the traveller may withdraw from the contract. If a tour operator reserves the right to a price increase, the traveller has the right to a price reduction if the corresponding costs are reduced.

Travellers may withdraw from the contract without payment of a cancellation fee and shall be reimbursed in full all payments if any of the essential elements of the package other than the price is substantially altered. If the company responsible for the package cancels the package before its commencement, travellers shall be entitled to reimbursement and, in certain circumstances, compensation.

- In exceptional circumstances, travellers may withdraw from the contract before the package starts without paying a cancellation fee, for example if there are serious safety problems at destination which are likely to affect the package.
- In addition, travellers may withdraw from the contract at any time before the start of the package against payment of a reasonable and justifiable cancellation fee.
- If after the start of the package tour essential components of the package tour cannot be carried out as agreed, the traveller shall be offered appropriate other precautions at no additional cost. The traveller can withdraw from the contract without paying a cancellation fee (in the Federal Republic of Germany this right is called "termination") if services are not provided in accordance with the contract and this has considerable effects on the provision of the contractual package tour services and the tour operator fails to remedy the situation.

The traveller is entitled to a price reduction and / or compensation if the travel services are not provided or not provided properly.

- The tour operator will assist the traveller if he is in difficulties.
- In the event of the insolvency of the tour operator or, in some Member States, of the travel agent, payments will be refunded. If the insolvency of the tour operator or, if relevant, of the travel agent occurs after the package tour has commenced and the carriage is part of the package tour, the return carriage of the passengers shall be guaranteed. DYMR has taken out insolvency insurance with R+V Allgemeine Versicherung AG. Passengers may contact this institution at Raiffeisenplatz 1, 65189 Wiesbaden, Germany, Tel.: 0611 533-9519, Fax: 0611 533-4500, E-Mail: [ruv@ruv.de](mailto:ruv@ruv.de), <http://www.ruv.de> if they are refused benefits due to the insolvency of DYMR.
